BOURNE LEISURE

MARTON MERE

**BOURNE LEISURE,
MARTON MERE SHOWBAR**

The new Showbar and creation of an additional Amusement Arcade had to be carried out during the very short period the holiday park was closed during the Winter months. The Showbar was created on various levels to provide a live entertainment venue to cater for a large number of holidaymakers. Lavingtons were both Project Managers and Quantity Surveyors and headed up a team to deliver the project on time and within budget.
