

HOLIDAY PARK

PARK RESORTS

CRIMDON DENE

**PARK RESORTS,  
CRIMDON DENE.**

Lavingtons were appointed Quantity Surveyors for the swimming pool development at this Holiday Park resort in January 2006. The client set a challenging programme and budget but, along with the rest of the design team, Lavingtons were able to deliver this project to the deadlines set by the client. The swimming pool was opened for public use in time for a busy holiday period.
