

HOLIDAY PARKS

BOURNE LEISURE

PRESTHAVEN

PRESTHAVEN

The construction of a new Sales/Reception Building and Amusement Arcade Extension was carried out over 16 weeks.

The Sales and Reception Building provided both Bourne Leisure's customers and staff with a very modern facility not only to greet owners/holiday makers but an up-to-date office environment. Lavingtons were both Project Managers and Quantity Surveyors and headed up a team to deliver the project on time and within budget.
