

HOLIDAY PARKS

BOURNE LEISURE

PRIMROSE VALLEY

**BOURNE LEISURE,
PRIMROSE VALLEY,
LEISURE POOL.**

Lavingtons provided Quantity Surveying and Employers Agent services for the provision of a new Leisure Pool at the Primrose Valley Holiday Park near Scarborough.

Having overcome some difficult problems in obtaining planning permission due to its cliff-top location, this new facility was successfully completed for Bourne Leisure and opened in the Summer of 2005.

The leisure pool included numerous features including water cannons, a water playground, tumble buckets, bubble blowers, geysers, mushrooms, a splashzone and a multislide.
